SUMMARY

A proactive Computer Science student skilled in data analysis and front-end development. Experienced in building interactive Power BI dashboards and using SQL and Python to extract insights. Committed to delivering user-friendly, data-driven solutions while continuously learning new technologies.

SKILLS

- **Programming Languages:** Java, C, Python
- **Web Technologies:** HTML, CSS, JavaScript, ReactJS (Basic)
- **Data Visualization & Analytics:** Power BI, Tableau
- **Tools:** GitHub, VS Code, Canva
- **Database:** MongoDB, MySQL

EDUCATION

Examination	Majors	Institute	Year	CPI%
B-Tech	CSE(DS)	B V Raju Institute of Technology	Oct 2022	8.69
Intermediate	MPC	Gurukrupa Junior College	Jun 2020–22	97.9%
Matriculation	SSC	Telangana State Model School	Jun 2020	10

PROJECTS

- **PrintEase: Revolutionizing Print Services** APR 2025
PrintEase is a digital platform designed to connect users with nearby Xerox shops, streamlining the process of locating shops, uploading files for printing, and making secure online payments. Built using Flutter, Dart, MongoDB, and Figma, it saves time, increases efficiency, and promotes sustainability while empowering local businesses.
- **Course Recommendation System** JULY 2024
Developed a sentiment analysis-based recommendation system to help students select the best YouTube courses. The project involved web scraping user comments, performing sentiment analysis, and implementing an algorithm to rank videos based on learner satisfaction. The system provides personalized course recommendations, enhancing the learning experience by identifying the most effective content.

EXPERIENCE

- **Swecha Summer of AI Internship** MAY 2024 – JUNE 2024
Developed and optimized AI models for the Telugu language, focusing on Automatic Speech Recognition (ASR). Gained hands-on experience in data preprocessing, model training, and evaluation to enhance speech-to-text accuracy. Contributed to improving language accessibility and AI-driven linguistic advancements.

CERTIFICATIONS

- **SkillUp:** Python, Power BI
- **Infosys Springboard:** Citizen Data Science
- **NPTEL:** Soft Skills, English for Competitive Exams

ACHIEVEMENTS

- **Smart India Pre'Hackathon 2023** Ideation Hackathon 3rd prize winner at B.V.Raju Institute of Technology, Telangana. Submitted an idea of building a project for crop disease detection.
- Won 1st Prize in Debug Battle-Promethean 2025, a college-level coding competition. Showcased strong debugging and logical problem-solving skills.
